Morning Simon

Rob, Lorraine (copied in) and I discussed this development yesterday, along with the updated local plan information that Lauren Morien has sent through.

Rob agrees that the most appropriate primary project for the s106 to go to would be a 0.5FE expansion of Littlebourne Primary School – taking it from 0.5FE to 1FE. I should, however, advise that while the scheme would appear achievable, no feasibility study has been carried out, including discussions with Highways colleagues.

We would, therefore, seek for the s106 to include flexibility of spend, enabling KCC to spend in the Canterbury City Planning Group if we cannot make it work at Littlebourne PS.

Hope that helps. Happy to discuss further.

Best wishes

Vicky
