

RISE Strategic Grants R1 2026/27

Application Guidelines

Thank you for your interest in the RISE Strategic Grant Fund.

This fund is for organisations that are already delivering positive outcomes for the local community and want to develop or expand their work.

The grants programme is one of the ways in which we aim to work in collaboration with the voluntary and community sector to meet its objectives.

Deadline for applications: 9am Tuesday 9 June 2026.

We receive many applications and, unfortunately, cannot fund them all. If your application is unsuccessful, this does not diminish its value or potential community impact. **Please remember you can ask for pre application advice by contacting externaldevelopment@canterbury.gov.uk.** We are committed to providing feedback to all unsuccessful applicants and look forward to receiving your application!
